

About Us

Basic Financial Services is an independent financial advisory was incorporated in 1994. Our founder, Mr. Nikhil Mehta, MBA, created this platform to provide financial advisory and relevant tools required in investment management.

Built on the foundation of trust and reliability, today our platform has grown to 1000+ active clients across geographies and demographics. We can proudly claim that our oldest clients still play an active part in our growth.

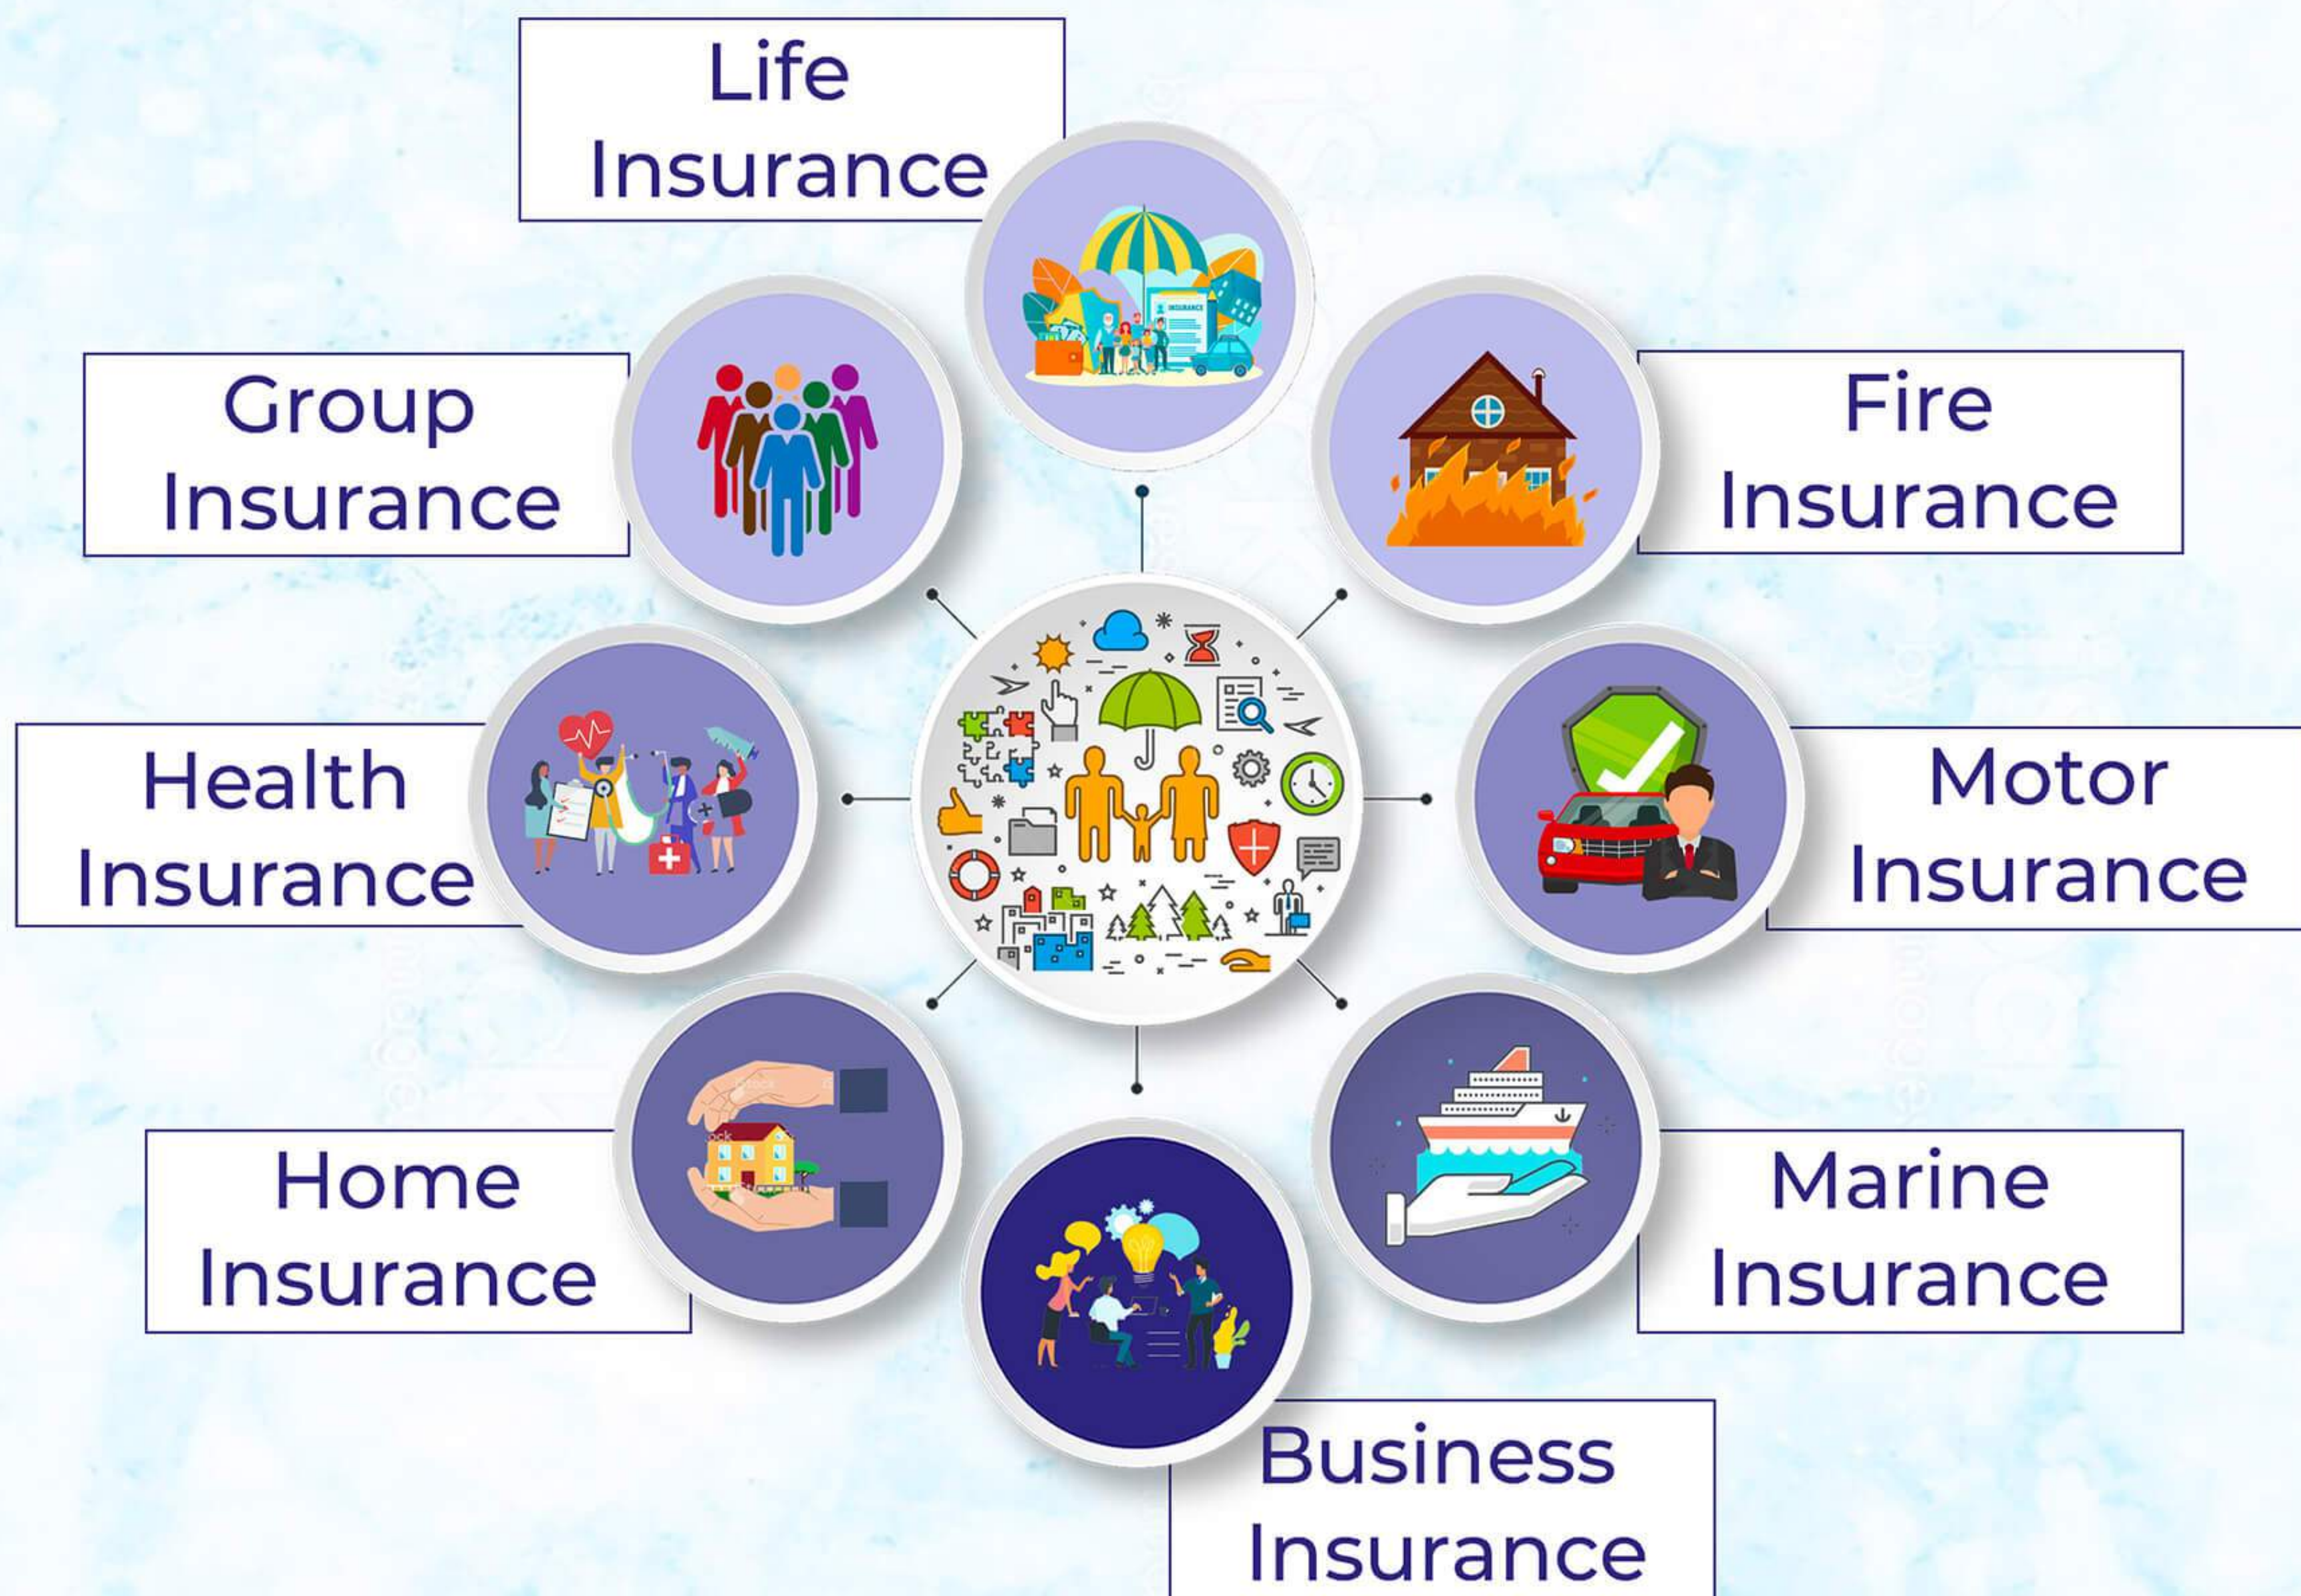

Why choose us?

- 01 ➤ **Best Quotation** - We provide the most competitive premium quotation, rest assured you won't overpay premium.
- 02 ➤ **24 x 7 Service** – We are at your service 24 hours. We can assure you the fastest assistance in case of an "event".
- 03 ➤ **Experience** – With 25 years', and after witnessing 4 business cycles, we pride ourselves as **industry experts** providing high quality, objective and pro-active advice to clients.
- 04 ➤ **Lasting relationships:** We have a long standing relationship with all our clients, extending now to the second and third generations.
